HON. R. B. BENNETT

Opening Rockyford Hall Tuesday, March 17th

Tuesday, March 17, the anniversary of the birth of St. Patrick, will be one of the biggest days in the history of Rockyford, for on that day Rockyford's new hall, erected by a splendid community effort on the part of the residents of the town and district.

Mr. R. B. Bennett, the foremost orator in Western Canada, will deliver the opening address, following which there will be a splendid programme. Lunch will be served immediately after the programme, and the evening will conclude with a Grand March and Dance, the music being furnished by the Palmer Hotel Orchestra, of Calgary.

School children and ladies are free, but the gentlemen will be asked to pay \$5.00. This will not be grudged, however, as the proceeds of the day go to the hall building fund, and any way, the evening will be well worth the money. Everyone in the district is cordially welcome.

The new hall is splendidly designed and equipped to meet the needs of the district. The main floor space is 36 x 52 feet, with balcony, and has seating accommodation for over 300. The floor is of maple, which will make

it an ideal dancing floor. The ante-rooms include cloakrooms, checkroom, kitchen, etc. The stage is fitted up in modern fashion, with footlights, etc. The building is located at the north end of Main Street, opposite Mr. Ward's building. The contractor was Mr. J. McKinnon, who is to be congratulated on a fine job.

The total cost is \$6,000, and we understand that all of this amount but \$700 has been raised by public subscription, and with the success which will undoubtedly attend the opening, it should be clear from the start.

Details will be found in advertisement on another page of this issue.

BRITISH BOYS STARTING ON FARMS

The 70 or more British boys brought out under the plan of Hon. Geo. Hawley for training in farm work at the Vermilion School of Agriculture, will conclude their training at the end of March and will go on farms shortly afterwards. Many of the young men have already been provided for in this respect.

First Meeting of New Council

The first meeting of the new Council of M. D. Bow Valley was held in the Municipal Office on Saturday. Residing Officer Angus Watson presided, and administered the oath of office to the new Council. Those present were Councillors Chamberlain, Nash, Nelson, Groves, Meyers, and Wheeler.

Councillor Chamberlain was re-elected Reeve by acclamation, and A. J. Weyers Deputy Reeve.

Among the items of business transacted by the Council were:

Decision to advise the C.P.R. that the Council objected to proposed cancellation of lots in Carseland.

All municipal tools and machinery to be marked by.

The Secretary-Treasurer, Mr. R. Gardiner, was appointed assessor.

A bylaw dealing with the destruction of gophers will be prepared.

Mr. J. H. Williams was re-appointed auditor.

The municipal tax rate for the year was struck at 25 mills.

Reeve Chamberlain was appointed delegate to the Hall Insurance Convention at Calgary on March 19.

The Secretary was instructed to protest against the assessment fixed by the Town of Strathmore on the property owned by the Municipality.

The Secretary was instructed to protest against the assessment fixed by the Town of Strathmore on the property owned by the Municipality.

A number of accounts were passed and ordered paid.

COMING EVENTS

U.F.A. meeting on Saturday, March 14th at F. J. Dunn's office.

The G.W.V.A. will hold a novelty dance in the Memorial Hall on Tuesday, March 17th. Chapin's five-piece orchestra. Everybody come. 11-3-25

Spring Horse Sale

Owing to the blizzard which hit the Strathmore district on Monday last it was found to be impossible to hold the Horse Sale advertised on that day.

Nearly one hundred head of horses arrived in town over the week-end, and all local owners who could be reached by phone were advised not to bring in their horses, as a postponement of the sale was imminent.

A large number of buyers were in Calgary ready to come out by car on the morning of the sale, but owing to the blizzard they did not start out. Several buyers were down by train, and a large number of local buyers were in town with a view to getting what they wanted, a considerable number of horses being disposed of by private sale.

The horses that were on view were some of the best seen in the town for a long time, and Mr. Layzell stated that it was the best collection of horses he had seen for eight years.

The Committee have decided to hold the sale on Saturday, March 21st, next, and they are confident of having a good sale.

Additional and extensive advertising is being done to give the postponed sale full publicity, and given time weather the sale should be a big success. Arrangements are being made for conveyances to meet the C.N.R. trains from Calgary and the East at Ardenode on the morning of the sale.

The Committee wish it to be known that a few additional entries can be taken for the sale, and would advise owners to get in touch with the secretary of the sale at once, as no entries will be accepted after March 19th. For full information see Mr. F. J. Dunn, Strathmore, or phone 95 and 98.

STORM

One of the heaviest storms of the winter struck Alberta early Monday morning. There was a high wind and considerable snow, which drifted the roads badly, and interrupted traffic. Fortunately the temperature did not go below zero.

The storm caused the postponement of the big horse sale to have been held in Strathmore Monday.

Namaka Farm Leased

Big Namaka Farm Owned by Geo. Lane & Co. Ltd., Leased to Russian Menonites—25 Families

The report of the sale of George Lane's big Namaka farm to Russian Menonites, as appearing in the Calgary papers, is not correct according to officials of the company who visited High River on Wednesday, Mr. Elmore, treasurer, informed The Times that the Namaka Farm consists of 15,320 acres and was leased for one year to twenty-five families of Menonites, who will occupy the place at once in order to be in readiness for spring seeding. The 25 families represent about 100 people who have resided in Alberta for the past nine months. The farm will be conducted as a colony and mixed farming will be carried on. The number of acres that will be cultivated this spring will be about 5,000 acres. This farm is considered one of the best holdings in the province and in past years has produced enormous yields of wheat. Mr. Lane purchased it in 1912 and Mr. Herb Miller has managed it during those years. It is stated Mr. Miller will continue to live on the farm supervising operations.

MORE OIL WELLS

It is stated that following the strike of the rich oil well of the Imperial Oil Company in the Turner Valley, south-west of Calgary, more wells will be drilled in that vicinity in the coming season. Further drilling is also to be done in the border field near Oatlands, and in the Wainwright field east of Edmonton.

Mrs. J. P. Madsen and daughter, and Mrs. A. Stormen were passengers to Calgary on Tuesday's train, returning on Friday.

Mr. J. B. Deschamps returned to Strathmore on Friday, after a short trip to California.

Mr. L. W. Thompson, who was called to Cedar Falls, Iowa, owing to the death of his father, returned home on Tuesday. We extend to Mr. Thompson our heartfelt sympathy in the loss of his father.

Mrs. W. McInnes and wee Frances returned from Spangnac on Saturday. Get the latest song hit for your Victrola: "Coming Through the Rye." It's all the rage in Strathmore just now. Some people think it sounds better on the mouth organ.

At a meeting of the Tennis Club held last week, it was decided to put on an April Fool Novelty Dance on April 14th. Arrangements are now being made for the dance, which promises to be an entertaining one. They will be moonlight waltzes, balloon frolics, and many other novelties quite new in Strathmore, not to mention prizes for various competitions. The Tennis Club has also arranged that there be several tables available for those who prefer to play cards. Those who are looking for something new in the way of fun and enjoyment should make it a point to attend the April Fool Dance.

Miss Helen Rasmussen journeyed to Calgary on Thursday, while in Calgary Miss Rasmussen will have her tonsils removed at the Holy Cross Hospital.

Mr. H. Castella returned to Standard on Monday.

Mrs. F. S. Horton and little Beryl Hushman returned home on Wednesday after several weeks spent in Calgary.

Mrs. F. Mull arrived home on Wednesday after a holiday spent in Edmonton.

Keoma

Owing to the success of the last Radio Dance, another one was held on Friday, March 6th, in Bruce Lakes school house, to which Mr. Charles Thompson kindly loaned his radio.

What was played until the old-time music commenced, and the first prizes were won by Mr. Shepard and Mrs. J. White; the consolation prizes were won by Mrs. Fair and Mr. Mills. When dancing began Mr. J. Shepard took the floor in his usual breezy manner, as the M.C., and soon the folks were dancing square dances and French minuets. Supper was served by the ladies, and after which the dancing was continued until the radio stopped after which Miss Margaret McKay kindly played the piano. What made the evening more enjoyable was the fact that the school children held a candy sale in aid of the Red Cross, and realized the sum of \$5.65, which will go to help swell the funds of the society.

We are sorry to announce the fact that Mr. Herb Baird has been seriously ill.

The U.F.A. received another car of coal last Friday.

Mrs. Thompson, Mrs. Kerr, and Mrs. White were visitors to the city.

The favorite recreation at this time is visiting sales, of which there is an abundance in the neighborhood. Any excuse is better than none for a good ship.

Testing Bullet-Proof Vest

This picture shows a test being made of the vest which is the products of a New York corporation. Its makers are of the opinion that it should be worn by all men whose duty it is to protect life and property. They cite the fact that one policeman and an average of 27 people come to an untimely end daily in the United States worn by all men whose duty it is to protect life and property.

LOCAL NOTINGS

Emil Griestbach, an old-timer of the district, now living in Glenhead, will drive a new River car in the Calgary Stampede Parade. He owned four cars before he bought the new one. It is as good a thing of the parade as for the parade at the river town only see it that way.

Town real estate does not seem to be booming at present, due probably to the absence of the single tax. Out of eight lots put up at sale last by the town on Saturday only two were sold, Harry Way buying a lot with a dwelling on it, and Mr. W. M. Wears, collector, purchased a lot for a client. There were no bidders for two Second Street lots offered.

Good prices were realized at the horse sale held in High River last week, and no doubt they would have been equally good at the sale to have been held at Strathmore on Monday, postponed on account of the weather.

Sven Swenson is holidaying down in Florida yet, awaiting the coming of Spring to the Northland. We wouldn't mind being there ourselves for a little. It would be a change from digging through the snowdrifts. His partner, Dick Boyles, is, however, on the farm now, and making arrangements for the spring work.

During the past few weeks considerable acrimony has been evident in some of the correspondence that has come to the Standard. Probably a result of the long winter. Let's hope that the coming of spring will make some of us more cheerful and more charitable to the alleged failings of others.

Strathmore N.W.A. held a meeting last night. Plans are under way for a general reunion of all vets in the district in the near future, probably on Vinay anniversary.

Local Scotsmen were all "her up" on Friday, when a pipar, Mr. A. McLean, was down from Calgary in full pipe's regalia for the curlers' banquet. Altogether a "real time" was had. Mr. McLean held the rank of Colonel during the Great War with the Northampton Regiment, and has a number of military decorations. He is a fine exponent of the piping art.

Frank Seales, who played the piano at the curlers' event, was seen to be a tryst on Friday's event.

F. J. Dunn, Strathmore, has been appointed a Commissioner for Oaths in and for the Province of Alberta.

Fairplay Notes

We are glad to see Mr. Amidon around again, after being under the weather for a few days.

Mr. and Mrs. John Drake left for Calgary on Friday last, where they will visit their daughter, Elva, for a few days before returning to their home at Irricana.

Mr. Keith Querin had the misfortune to have his ankle badly sprained when his saddle horse fell with him.

Mr. T. Porteous of Calgary, has been visiting his brothers, Jim and Herb, at the Cheate Farm for a few days.

Mrs. H. O. Peterson and children left on Monday for a visit to her parents at Innisfail.

Wake up children! School goes in at 9 o'clock this week.

Another of our club social evenings took place at the home of Mr. and Mrs. J. Querin, on February 27. Progressive whist was enjoyed until lunch time, after which the ladies took part in an amusing debate on "The Rich Cranky Husband vs. The Poor Good Natured Husband." Mr. A. W. Goodacre, Mr. Jas. Martin, Jr. and Mr. Jas. Gritlick were the judges, and gave the decision in favor of the Affirmative. The first prize for the whist game was awarded to Mrs. Weidner and Mr. Jas. Martin, Jr., while the consolation went to Miss Phyllis Amidon and Mr. E. L. McIntosh.

GAILEY CLUB NOTES

On March 4th, the regular meeting of the Gailey Club was held at Miss Paula Pratt's. The club will purchase curtains and a window shade for the ladies' dressing room in the hall. The date of the next meeting has been changed from March 15th, to March 25th and the club will meet at Miss C. Wambold's. After several games of cards, the remainder of the evening was spent in music. Lunch was served and the meeting closed.

Miss D. Erwell entertained the Gailey Club at her apartments on February 18; seven members and two

visitors being present. Miss Cora Wambold will take up the duties of the secretary and treasurer, owing to the resignation of Miss Florence Carpenter, but we all join in wishing her every success in her new school, and we look forward to her return in the holiday time.

The Gailey Club has purchased a beautiful large mirror for the Ladies' dressing room in the new hall, also a quantity of coat hangers for the same purpose.

Lunch was served and the meeting adjourned.

We regret to announce that word has been received of the death of Dr. Tiffin's sister-in-law at Cranbrook, B.C. The doctor was a visitor at his brother's home a couple of weeks ago.

Mr. J. B. McGuire and young Billy have returned home from Calgary. Billy is looking fine these days.

Rockyford

All roads lead to Rockyford on St. Patrick's Day, for the opening of the new hall.

The morning passenger train from Calgary was delayed Monday by an accident, the train running into the snowplow. Seeing a collision imminent, Fireman Jones jumped, and was seriously injured. No one else was injured, the snowplow proceeding very slowly at the time.

Messrs. L. Miller, Geo. Kennedy, and C. A. Smith, of the Rockyford Horse Breeders' Association, after being around the country, have purchased for the Association, the grand champion of Canada Percheron Stallion, now located at Aene. The horse is expected to arrive in the district within the next ten days.

Born to Mr. and Mrs. D. Zylinski, at Rockyford Hospital, a daughter, on Sunday, March 8th.

New Telephone Directory Cards! Have you received yours yet? The new directory shows quite an improvement over the old directory, and also that the telephone system is progressing in the Rockyford district.

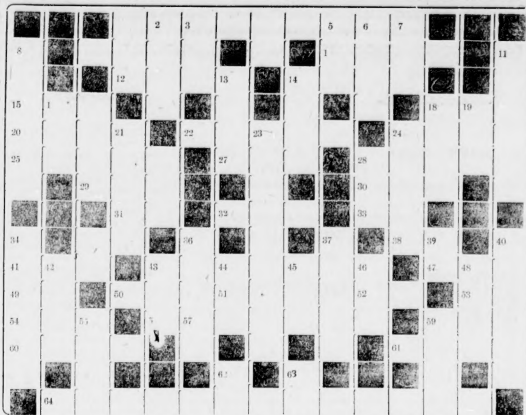

There is an additional twenty-four new subscribers since the last directory was issued.

Mr. L. L. Pielkins is east on a business trip to Prince Albert district.

Mrs. Walrod has been confined to her bed with a slight attack of the flu, but is recovering slowly.

A very enjoyable dance was held in the Masonic Hall last Friday night, in honour of Dr. and Mrs. M. E. Tiffin, and Mr. and Mrs. T. Glendinning, who are leaving the district. Dancing commenced about 9:30 p.m. until 11:30 p.m. Supper was served, after which a short time was devoted to speeches, in which Mr. Pust acted as toastmaster.

Dr. Tiffin was called upon to make a short speech, and Mr. J. Black responded on behalf of the community. Mr. Glendinning was called upon next, and Mr. W. T. Cochran responded. Mr. H. Dunsmore also gave a short humorous talk, equal to the occasion after which dances commenced again and lasted until about 2:30 a.m., when the orchestra played Auld Lang Syne.

The Legislative Assembly

(From a Special Correspondent)

The Debate on the Administrator's speech finished on Thursday, March 10th, after running for over two weeks. A large number of members on both sides of the house spoke and the principal bone of contention was the attack by the Liberal members on the continued deficits and their proposal of a reduction in the indemnities of the members and ministers as a start towards economy. This charge was replied to by members of the government side and the independents with charges of inefficiency as the proposal to reduce indemnities was in the form of a motion and therefore a direct want of confidence vote in the government. The motion was lost when put to a vote.

During the debate many of the speeches contained references to the success of cooperative marketing and this was a subject that both sides seemed to be in accord on.

The Honourable H. G. Field tabled a financial statement in the Legislature that showed the provincial deficit for 1924 operations to be \$620,841.42, which was \$38,166.67 less than estimated last year. The actual income was \$10,506,627.00, and the expenditure \$11,127,468.90. The total net bonded debt of the province at the first of this year was given as \$78,911,944.73, and the sinking fund accumulations were \$1,682,815.22.

The telephone report submitted showed a loss of \$122,712.19 in this year's operations, and this forecast an increase in telephone rates for this year.

The Liquor Commissioner furnished further statistics showing that the consumption of beer in this province was about 70% of the total liquor consumed while in British Columbia 69% of liquor consumption was spirituous and 30% beer.

The Minister of Railways, Vernon Smith, proposed a resolution for equal-

the approval of the whole house. In relation of freight rates that received a well delivered and prepared speech he reviewed the history of freight rates and pointed out the discrimination exercised against the west.

One of the most outstanding features of the debate was the address by the Attorney General. He went after the opposition in a style and with the vigor that some claimed equaled the ability of the late Arthur Sifton. In his speech he told the members that they could not expect much revenue from the natural resources for some years to come. He hit at the Dominion government for disallowing the mineral lands tax on the grounds that it was infringement of Dominion policy without allowing the province time to change their act to meet obligations. He also hit at the Dominion government for not allowing the province time to change their act to meet obligations. He showed the savings that had been made as the result. It was a fighting speech from beginning to end.

The bill to provide money to extend the Lacombe and Northwestern Railway passed the committee of the house with very little discussion, as did the bill to provide \$120,000 for maintaining the A. & G.W. Railway.

Since the close of the debate on the administrator's speech the business of the house has been proceeding with fair speed and it is expected that next week will see some spirited debates on several resolutions that are before the house. The Premier has introduced one to urge the Dominion government to build branch lines. Mr. Davidson has a resolution to submit dealing with the reducing of the powers of the Senate and there is the Premier's resolution on Immigration and the Provincial Treasurer's on a Federal Farm Loan Scheme still to be discussed.

The report of the Minister of Public Works on the highway construction is expected in next week and also the Budget.

The session up to the present is possibly the most quiet in the history of the Alberta Legislature.

U. F. A. District Meeting at Carseland

(From a Special Correspondent)

The U.F.A. and U.F.W.A. district association meeting held last Saturday was well attended. Delegates from Strathmore, Gleichen, Nanaka and Carseland were in attendance, and many visitors from the country around. There were a few resolutions discussed. One of the most important, and one which passed without a dissenting vote was a resolution recommending to the government that the monies received from the liquor business be turned into the general fund of the province—trusting the government to use it in the right way. After lunch, which was served in the basement, the delegates gathered to elect officers for the next year. The old officers were all reelected. Mr. R. P. Umbreit, Gleichen, president; Mrs. G. Gade, Strathmore, vice-president; and Mr. H. Hansen, Nanaka, secretary-treasurer. The balance of the afternoon was taken up by three speakers. Mr. Plummer, Mr. Donald Cameron, and Mr. Ewing. The principal speaker of the day was Mr. Plummer, our own member on the Wheat Pool Board. For two and a half hours Mr. Plummer reviewed the activities of the pool, dealing with every phase of the business, from person of the office force to purchase of terminal elevators, and exporting of grain. At the close of his address a question period was allowed, and as the chairman said: "If anyone leaves the hall without a clear idea of the Wheat Pool, it is his own fault."

Mr. Cameron, president of the Junior U.F.A. gave us a very excellent address on the work and aims of the Junior department. Mr. Hansen is an excellent speaker, well informed, and very much enthused over the possibilities of the Junior department. His speech was well received and enjoyed by all.

Mr. S. J. Ewing, the newly appointed, and only former member of the Grain Survey Board, gave us an exceedingly interesting review of things he has learned about the grain business, and explained very carefully just what the Survey Board is, and what it does. The district Association is playing a very important role in the U.F.A. movement, and it deserves the support of the people. The next meeting will be held in June, at the Community Hall, five miles north of Gleichen.

FIGURES IN ROMANCE WITH MORGAN'S KIN

Can it be possible? This beautiful maiden, readers, is Miss Dora Doby—one of the few charming actresses who have ever fled from the love of an heir of millions.

But in this case, the heir to the big fortune caught his lady fair thus revealing the latest romance of social circles and the stage. The gentleman in the

case is Alexander Hamilton, a son of Mr. and Mrs. William Pierson Hamilton of New York city. His mother was formerly Juliet D. Morgan, a niece of Pierpont Morgan.

Young Hamilton met the delightfully beautiful Miss Doby while she was dancing at the Perroquet in Paris.

It will be held at Macleod, March 11 and 12 next. The program includes addresses on important topics, by prominent members of the Women's Institutes of Alberta.

Canadian Big Game For Austrian Alps

Here are seen some fine specimens of mountain sheep, photographed near Banff, Alberta. Just a mountain goat giving an idea of the fine game of eastern Rockies than his game animals provide.

A recent small official gathering of the Alpine Club, to six worthy members of Nature's Own Alpine Club. They had never before seen passengers although from their lofty home in the Canadian Pacific Rockies they had watched and heard the trains that day by day shuttle steadily to and fro on the world's greatest highway. In due season to the railway track they did see those visitors that the people in passing trains had the unique pleasure of seeing these hardy mountaineers ascending and descending the cliffs and crags of their native haunts.

For they were the famous "Big Horns," the wild sheep of Canada's great mountain region. Lodged in unheated crates, accommodated in a roomy Dominion Express car, they were transported to a large cattle high up in the Alps of Austria where they will have liberty to roam in a congenial environment and where, it is hoped, they may be in course of the quality and become as abundant as the flocks that feed on the Alpine meadows near Lake Louise and that wander upon the sunny slopes of Yoho Valley.

Count Hohenheim, an Austrian nobleman, who had travelled in the Rockies and who had seen the wild sheep of that region, believed that given opportunity they would easily

become acclimated and would thrive well in the highlands of his native country. Anxious to put his theory to the test he entered into negotiations with the Canadian Government and succeeded in securing two rams and four ewes for export to Austria.

In the Canadian Pacific Rockies where "Big Horn" sheep are increasing enormously in numbers there is yet a great plenty of other large game animals. The territory westward of and convenient to Lake Windermere Camp is noted for Grizzly bear. A comparatively short trail journey northward from Lake Louise brings one into a region where white goats clamber on the cliffs and crags. In the open valleys south of Banff there are many elk and moose abounding. Too, out there the Spruce Lakes sparkle in the sunshine, the finest trout fishing in the West. And whether you hunt with rifle or with camera the sportsman will find trophies worth the winning in this vast and unspoiled land of sportsman's lure.

WOULD YOU BELIEVE IT'S THE "BAMBINI"?

Yep, it's him all right. His swatting majesty, caliph of clod, rajah of records—George Herman Roth.

How they ever managed to lure the great "Babi" into this outfit we don't know, but they say he got lost in some

movie studio and the first thing he knew, someone handed him this rigup and told him to don it. The Beau Brummel pictured above was the result.

Such grace. Such poise. And such—bawky piano-mover shoulders.

Irriana

Mr. E. C. Blocker returned from the United States on Friday with his family. During Mr. Blocker's sojourn in the States he was critically ill for a period of six weeks.

The members of the local Masonic order are holding an "At Home", followed by a dance on the 12th inst. Members of neighboring Masonic Lodges have received an invitation to be present.

Peter Fleming, son of Mr. Andrew Fleming, early settlers in the district, now of Priddy, was a visitor to Irriana on Friday. Pete has developed into a fine looking young gentleman, and old-timers were delighted to see him.

Heartly congratulations to little Miss Elsie Schuch, who successfully secured second honors in the Essay Competition. It is very gratifying, indeed, to know that one of the many keen competitors brought laurels to the old home town. Your town folks should feel proud of this Elsie. We know your heart is in the Elsie place.

Wing, stealthy steps in the crunching snow, a number of highlanders burst into the home of Mr. and Mrs. James Coling McCulloch on Friday evening and immediately became "major domo" of Mr. McCulloch's residence.

The uninvited guests were "surprising" Mr. and Mrs. Jennie on the occasion of the hostess's fortieth birthday. Furniture was ruthlessly placed aside and the crowd loosed to time in song on with a delightful dance to the music of a player piano. A number of staid

feds repaired to an inner room and enjoyed a quiet game of pool. (We had to keep the chips concealed, Miss Archie was present). The ladies brought refreshments and the table of delicacies was truly inviting. On behalf of Mrs. McCulloch's numerous lady friends, Mrs. B. D. Wilson presented the hostess with a beautiful set of China cups and saucers. Mrs. McCulloch suitably replied. The joyous party broke up about the hour the roosters herald the dawn. Amongst the guests were: Mr. and Mrs. Frank J. Ewing, Mr. and Mrs. W. G. Naylor, Mr. and Mrs. N. Bassarob, Mr. and Mrs. B. H. Wilson, Miss Peggy Shaw, Mrs. Marie Reynolds, Mr. and Mrs. Archibald, Mr. and Mrs. H. Miller, Mrs. Herman Badley, Mr. and Mrs. Ray Goodwin, Mr. and Mrs. W. Wise, Mr. and Mrs. E. L. Stone, Mrs. Rose Parker, Mr. A. McGibbon, Mr. and Mrs. A. McBride, and Mr. James Greer.

Carlsland

Carlsland baseball fans held a meeting last Saturday evening. New officers were elected. The treasurer's report showed a cash balance of something like \$40, and everybody seemed to be very well pleased with the year's activities. The election resulted as follows: Mr. Davis, president; Bob Haskayne, vice-president; Harry Packenham, secretary-treasurer; and Melvin Gehrk, manager. Grounds and entertainment committees were also appointed. Everybody is looking forward to another year of successful ball playing, which will open on the 25th of May.

Last Saturday evening saw the close of a period of U.F.A. and U.F.W.A. activities in the community. Two days proved a little too much for some, but everyone agreed that the time and effort was well spent.

Mrs. Oscar Mouthouse is reported to be much better. We hope to see her among us again soon.

Social & Personal

Word was received in Strathmore the day following Mr. W. G. Gray's departure for the east, that his father had died, the death occurring after Mr. and Mrs. Gray had left Strathmore.

Mr. Douglas French returned to Strathmore last week, after a visit to Winnipeg, where he received medical examination in view of further treatment for injuries received during the year when the aeroplane he was handling was shot down.

We have received a letter from Mr. Clyde Riggs, formerly with Strathmore Farm Coy., and now located at Driftwood, Oklahoma, where he is getting along well. He wishes to be remembered to all his friends.

Mrs. Hopkins, Calgary, is visiting with her parents, Mr. and Mrs. L. W. H. Lambert.

Mr. A. H. Haines arrived from the States last week, and will probably remain here this week.

Mr. D. M. Taylor, the new manager of the C.P.R. Exhibits Department, arrived here last week.

Messrs Dan and Jack McDonald arrived here from New Westminster, B. C. last week. Jack will this year manage his brother's farm south-west of Strathmore, tenanted for several years by Mr. Geo. Small. The McDonald brothers are old-timers in the district.

We forgot to mention last week that "Casey" Laurysen is back to Strathmore, and will farm in the district again. He simply couldn't stay away, and saw nothing in B.C. to equal what he had left.

Mr. and Mrs. V. S. Gilbert are rejoicing in the birth of a daughter on Sunday, March 1st, at the home of Mr. and Mrs. Wilfred Mackenzie.

Mr. and Mrs. Walter Keeler are also cheerful over the birth of a daughter on March 3rd.

Mr. Percy Dobson, former Crown Lumber agent at Strathmore, has been appointed agent for that company in Rockyford, and leaves for there at the end of the month.

Messrs Harold Bell and John Taylor are attending the Convention of Royal Arch Masons at Calgary this week.

Ardenode

Mr. and Mrs. T. J. Koch, of Ardenode, entertained a few friends at a farewell party in honor of their son, Dr. G. E. Koch, V.S., and Ray Douglas, a very close friend of the family, who are leaving shortly for Benito, situated north of Red Deer, where they are opening a hardware business. The evening was spent in dancing and singing, and was carried on until the small hours of the morning. Music was supplied by a three-piece Calgary orchestra. Mr. Douglas sang several comic songs, which was enjoyed by all. Mr. T. J. Koch played a number of old time dance selections on the violin, accompanied on the piano by his son. A very dainty repast was served at midnight. At the conclusion of the entertainment Dr. Koch and Mr. Douglas were carried off their feet, while the guests circled around them, singing, "They Are Jolly Good Fellows". Calls for a speech were heard, and Dr. Koch in a few well chosen words, expressed his appreciation of the evening's entertainment, and his regrets at leaving the vicinity.

Those present were: Mr. and Mrs. T. J. Koch, Dr. G. E. Koch, Mr. Ray Douglas, Mr. and Mrs. Praeger, Mr. and Mrs. Cain, Mr. Rex Cain, Mr. and Mrs. Ross, Miss Edna Ross, Miss Ethel Lewis, Miss Elsie Cannings, Miss Annie Shale, Sanford Shoemaker, P. Rambridge, Mr. Jefferson, Albert Gillies, Mr. Tompkins, Mr. Ernest Smale, Mr. George Barry, Miss Agnes Barry, and Mr. F. Langlands.

The Juniors held a very interesting meeting last Saturday evening, when Donald Cameron, president of the Junior U.F.A. gave a very good and helpful address—something that made the Juniors realize what they have to do to win over. The local voted to contribute their share of the conference fund, and elected Johanna Vander Velde president for the year, upon the resignation of Lily Hartz.

Fred Halgason, who has been ill with an attack of influenza, is improving rapidly.

The Social Club held a dance in the Hall on Friday evening, February 6th. There was a large crowd out, and everybody had a very good time. Chapman's orchestra supplied the music.

Hello, Bill! Did you hear the latest? The "Miscellaneous Minsirel Mixture" are going to stage their stuff on March 20. Why it's going to be the greatest hit of the season. So let's see you there.

Charlie Hornstrom attended the district convention at Carlsland on February 7, and brings back a glowing report. It would be beneficial for Dalemead to join the association.

Slats' Diary

Friday—pa and me is not very much help in me getting my lessons at nine. Ant Denny is the only one left that can help me and the don't say anything about what I half to him. Whenever I sat on or on a kowloon they look at me like I was a 100 miles away and then they say something about a 4 Letter word which means something with no sense to it. The more I see of them the more I wonder why we ever went to the woods to hunt for nuts.

Saturday—got a cold Sopper tonight on seat. of me haddent wiked her cross word puzzle yet. I started to say her a few things and she flew up and said if I sat her any more kowloons she would go and hang herself. And then she got more because I sat her if I cut go long and watch.

Sunday—Pa and he sent a sign in a barber shop up in the city yesterday with said to it. Shave the Wimen and Children 1st.

Monday—Joe Hixon has been having a hard time to find a suit of close to suit him. He wants to suit more without no buttons on the Sleeves. He says the last suit he got had buttons on the sleeves and his nose has been sore ever since he got it.

Tuesday—Well I got a m as smart as the teacher is finely. We had a couple lessons today and after we got through, why she said it was impossible to turn me any thing more. I wonder if my folks will let me quit school now. I don't apose so.

Wednesday—me and he had a argumnt today. She said she diddent like good lookin boys on seat. of me was always stuck on there seat. I said I diddent believe it, and she said. Well she me 1 that sint. I and Well I sat stuck on myself am I. She just baffed out loud.

Thursday—Now Ant Emmy has got commenced on cross word puzzle. She says they are very educational. She never knowed till today but what a Miser was a fellow with made a living by ketching mice. That's what he done for her already.

THOMAS MEIGHAN FILM
IS VIRILE DRAMA OF ALASKA

Memorial Hall Saturday
Alaska—land of ice-cold mountains and towering glaciers! Alaska—where towns are born overnight and gold is sluiced from the rich earth! Alaska—mysterious, strange, colorful! World of the Midnight Sun!
This is the rugged country in which "The Alaskan" Thomas Meighan's latest Paramount production, unfolds its story of gripping, red-blooded drama. It is a picturization, based on Willis Goldbeck's adaptation of James Oliver Curwood's Dynamic novel of the same name. Herbert Brenson, who produced it, Thomas Meighan and the entire supporting cast travelled more than four thousand miles by sea from Hollywood into the wilds of British Columbia to secure the proper locations.

Here and There

He tried to cross the railroad track. Before the rushing train.
They put the pieces in a sack.
But couldn't find the brain!

One hundred British farm families are due to reach British Columbia early next spring. These are the fore-runners of 2,500 families that are to come out to settle in Canada on the land. Provincial and British Government assistance is being given them to get started.

A remarkable status modelled entirely in ice is to be seen at Quebec. It represents one of the latest or 2300-type locomotives of the Canadian Pacific Railway, about one-fourth full size and is perfect in every detail. Ice statuary has been brought to a fine art in the Ancient Capital.

Skaters from New York, Boston, Montreal, Toronto and Ottawa will compete with Quebec champions in a great international amateur figure skating contest, to be held in Quebec city February 23-24, for handsome trophies and medals donated by the Frontenac Winter Sports Club. A record attendance of spectators is expected.

The Standard has concluded an arrangement with The Family Herald and Weekly Star of Montreal whereby we can offer the greatest bargain ever given to newspaper readers.
The offer includes a full year's subscription to both papers, an art calendar with a most beautiful picture subject ready for framing, and an opportunity to win a prize of \$5,000 cash.
In the Federal Election of 1921 there were 1,119,300 votes cast out of a total of 4,435,310 names on the voters list.
The Family Herald and Weekly Star are offering Ten Thousand Dollars in \$4 prizes for the best estimates, and our arrangement with the publishers of that great weekly gives every Standard subscriber an opportunity to make an estimate and perhaps win a capital prize of \$5,000. Some people will win. Why should it not be you?

Slats' Diary

Friday—pa and ma is not very much help in me getting my lessons at night. Ant Ebony is the only one that can help me and she don't do any thing about what I half to learn. Whenever I ask ma or pa a question why they look at me then it was a too miles away and then say sum thing about a 4 Letter word which means sum thing with out no sense to it. The more I see of sum folks the more I wonder why they ever went to the woods to hunt for nuts.

Saturday—got a cold Super tonile on acct. of ma haddent wiked her cross wind puzzle yet. I started to ask her a few things and she fine out and said if I ask her any more questions she would go and hang herself. An then she got more because I ask her if I go to long and wait.

Sunday—Pa and he see sign in a harbor shop up in the city yesterday with sed on it. Shave the Wimen and Children 1st.

Monday—Joe Hixon has been having a hard time to find a suit of close to suit him. He wants to get a coat without no buttons on the Slaves. He says the last suit he got had buttons on the sleeves and his nose has been sore ever since he got it.

Tuesday—Well I guess I am as smart as the teacher is finely. We had a couple lessons today and after we got through, why she red it was impossible to len me any thing only where a wonder if my folks will let me quit school now. I dont apose so.

Wednesday—Jane and me had a argumt. today. She sed she diddnt the good lookn boys on acct. of they was always stuck on there self. I sed I diddnt believe it. She sed, Well she me T that aint. I sed Well I aint stuck on myself am I. She just buffed out loud.

Thursday—Now Ant Ebony has got commenced on cross wind puzzles. She says they are very educational. She never knowed till today but what a Miser was a fellow with made a living by litching Mine. That was the done for her already.

THOMAS MEIGHAN FILM
IS VIRILE DRAMA OF ALASKA

Memorial Hall Saturday
Alaska—land of ice-cold mountains and towering glaciers! Alaska—where towns are born overnight and gold is staked from the rich earth! Alaska—mysterious, strange, colorful! World of the Midnight Sun!

"The Alaskan," Thomas Meighan's latest Paramount production, unfolds its story of gripping, red-blooded drama. It is a picture-story based on Willis Goldbeck's adaptation of James Oliver Curwood's Dynamic novel of the same name. Herbert Brenson, who produced it, Thomas Meighan and the entire supporting cast travelled more than four thousand miles by sea, from Hollywood into the wilds of British Columbia to secure the proper locations.

Here and There

He tried to cross the railroad track, Before the rushing train:
They put the pieces in a rack,
But couldn't find the brain!

One hundred British farm families are due to reach British Columbia early next spring. These are the fore-runners of 3,600 families who are to come out to settle in Canada on the land. Provincial and British Government assistance is being given them to get started.

A remarkable statue modelled entirely in ice is to be seen at Quebec. It represents one of the latest or 2300-type locomotives of the Canadian Pacific Railway, about one-fourth full size and is perfect in every detail. Ice statuary has been brought to a fine art in the Ancient Capital.

Skaters from New York, Boston, Montreal, Toronto and Ottawa will compete with Quebec champions in a great international amateur figure skating contest, to be held in Quebec city February 23-24, for handsome trophies and medals donated by the Frontenac Winter Sports Club. A record attendance of spectators is expected.
